February in Review

We had a great time in February learning, laughing, and growing alongside one another in faith together! We spent time learning, playing games, looking at the year ahead and talking about what we would like to do. Here are a few of the highlights from this past month!

On 02/04/2024 we met in the Youth Lounge, learned more about Ash Wednesday and wrote down what we would be letting go of for Lent. These notes will be mixed into the Palms that we will burn to make our Ash's for next year's Service!

On 02/11/2024 we met in the Fellowship Hall to watch the Super Bowl and share in a meal! During this time we kept track of how many times they showed Taylor Swift during the game. It was a great time all around!

On 02/18/2024 we shared a meal together, joked around, and wrote get well soon cards for one of the Youth who was home sick. We then talked about the Massanetta Mission Trip for the second half of the evening and what to expect.

On 02/28/2024 we went to Phillip's Farm to ride around on a Hay Ride and enjoy some fellowship time together. It was a good time spent together as we prepare for the month ahead.

March Meal Schedule:

03/03/2024: Tucker and Lloyd Families

03/10/2024: Pastor Max

03/17/2024: Presbyterian Women Group

03/24/2024: Angle and Drigger Families

A schedule of the meals has been sent out to the parents and participants of Youth Group for the Spring to Summer Semester. Every parent and volunteer serve twice during the semester to help ease any burden of the meal.

On every third Sunday the Presbyterian Women's Group serves a meal for the Youth and Pastor Max serves in between to ensure no parent serves more than twice throughout the semester.

Pastor Max's Youth Report

It is always a joy of mine to be able to work with the Youth. I am enjoying getting to know them and seeing them grow together in Faith.

If there are any events or any information that I can help provide for you then please let me know. We have a busy schedule coming up and a busy summer if you are looking ahead. However, I would love to be able to get to know as many of you parents as possible. I do not always get to see some of you on Sunday's please feel free to reach out.

One last note, I am excited for our upcoming Confirmation Class! This will be a great opportunity for the kids to learn about what makes us Presbyterians! What we believe, how we worship, what does it mean to be a member and much more! I am looking forward to teaching them all of this and more!

Blessings,

Rev. Max
