March in Review

We had a great time in March learning, laughing, and growing alongside one another in faith together! We spent time learning, bowling, adventuring around the church and looking at the year ahead. Here are a few of the highlights from this past month!

On 03/03/2024 we met in the Youth Lounge and shared a meal together. We had a much smaller group this time around because all the kids were coming back from vacations. So we explored around the church grounds and learned more about the history of our church!

On 03/10/2024 we went bowling to Strikers Bowling Center in Rockingham! We had a great time cutting up and competing against one another. After we bowled we ate some Godfathers Pizza!

On 03/17/2024 we begin our Confirmation Class, shared a meal together, joked around, and started planning for Youth Sunday. We got everyone assigned their parts and got the ball rolling for an exciting Sunday in just a few short weeks!

On 03/20/2024 the Youth helped the Missions Committee Fundraise for their upcoming Massanetta Springs Mission Trip this Summer! They helped serve Spaghetti to the congregation and also unveiled their T-Shirt Designs that they worked on back in January to help with the Fundraiser!

On 03/24/2024 the middle schoolers met for Confirmation and then we ate some Spaghetti and good desserts! We then split up with the High Schooler working on the theme for Youth Sunday and the Middle Schoolers spending time bonding with one another while burning off some energy!

April Meal Schedule:

04/07/2024: Goddard and Creech Families

04/14/2024: Miller and Phillips Families

04/21/2024: Presbyterian Women Group

04/28/2024: Preston and Tillman Families

A schedule of the meals has been sent out to the parents and participants of Youth Group for the Spring to Summer Semester. Every parent and volunteer serve twice during the semester to help ease any burden of the meal.

On every third Sunday the Presbyterian Women's Group serves a meal for the Youth and Pastor Max serves in between to ensure no parent serves more than twice throughout the semester.

Pastor Max's Youth Report

It is always a joy of mine to be able to work with the Youth. I am enjoying getting to know them and seeing them grow together in Faith.

I am also enjoying teaching our Confirmation Class more about Faith and what it means to be a Presbyterian! They are a lively bunch that is full of energy and constantly keeping me on my toes which is always fun! I am looking forward to teaching them over these next couple of weeks and our upcoming Confirmation Sunday that is also Youth Sunday!

Blessings,

Rev. Max
